

DRUM MOWERS

TAR RIVER IMPLEMENTS

With very few moving parts, low maintenance and a heavy built frame, the Tar River Drum Mower is a great economic alternative to the Disc and Sicklebar Mowers while still giving a good cut. The BDR Series Drum Mower can mow at high speeds and offer reliable mowing in all conditions, easily cutting through tall and thick grasses. Available in 3 popular sizes, Tar River Implements has a perfect fit for your small hay operation.
